

New York's Web Address Has Arrived!

Register your .nyc Today!

The official web address for New Yorkers has arrived. The city is a part of you, and now it can be a part of your web address. Register your **.nyc** today and claim the perfect domain for your business, venture, or idea.

What is **.nyc**? **.nyc** is a web address (like **.com**, **.net** and **.org**) specifically available to individuals, businesses or organizations with a physical address in the five boroughs.

Why get it? A **.nyc** web address is a powerful way to showcase your business or ideas and demonstrate your local pride.

Who can get it? People, businesses, and organizations with a physical address within the five boroughs can get a **.nyc** web address.

Get your .nyc Web Address at: www.OwnIt.nyc
